

**INSTARMAC<sup>®</sup>**

## Always the best in raw materials...

As a part of our continuous improvement processes we are always seeking the best raw materials for use in our quality products. Due to this, it is common to expect some colour changes in certain products, however it is important to remember that these are in no way detrimental. We use natural raw materials, and it is the nature of these materials to be prone to natural variations. If you are in any way concerned please do not hesitate to contact us on +44(0)1827 871871 or by eMail at [enquiries@instarmac.co.uk](mailto:enquiries@instarmac.co.uk)
